VERSATILE BANNER DISPLAYS

The Everyday, Heavy Duty and Tabletop Displays are designed to display both banners and rigid substrate signs. They display either 1 or 2 signs or banners and are easy to assemble with snap together parts. The height also adjusts easily with thumbscrews.

- DISPLAYS SIGNS OR BANNERS
- HEAVY DUTY CONSTRUCTION
- HIGH QUALITY
- BANNERS ATTACH BY A POLE POCKET AND DOWEL
- ADJUSTABLE GRAPHIC SIZE

Style	Display Use	Adjustable Height	Weight	Max Thickness	Viewable Dimensions	Graphic Dimensions	Recommended Media
Everyday	Our best seller. Use when one of the other specialty displays is not needed.	12" to 90"	10 lbs.	6 mm	18"-36" wide x 12"-90" high	18"-36" wide x 12"-90" high, 2"-3" for pole pockets	Titan 10 oz. Banner Vinyl

Table Top	Made like our Everyday but smaller for counter and table use.	24" to 45"	9 lbs.	6 mm	18"-24" wide x 24"-45" high	18"-24" wide x 24"-46" high, 2"-3" for pole pockets	Titan 10 oz. Banner Vinyl

VERSATILE BANNER STAND WITH FOLDING BASE

The Folding Base for this best selling banner display brings portability to a banner and sign holder originally designed for semi-permanent display. When expanded, the three legs are as sturdy as the standard square base, but fold into a unit compact enough to fit into a briefcase. The Versatile Banner Stand is perfect for exhibitors looking for easy set up and tear down options.

Description	Viewable Dimensions	Graphic Dimensions	Recommended Media
Banner Stand w/ Folding Base	24" wide x 48"-90" high	18"-36" wide x 12" - 90" high, 2"-3" for pole pockets	Titan 10 oz. Banner Vinyl

VERSATILE CARRYING CASES

Carrying cases specially designed to house the Versatile Banner Displays. Pockets are sewn on the inside to securely hold all parts. Made from luggage-quality polyester with heavy duty shoulder straps for easy transport.

CASE FOR FOLDABLE BASE

Description	Viewable Dimensions	Weight
Versatile Carrying Case	3" high x 7" wide x 48" tall	3 lbs.
Case for Foldable Base	4" high x 5" wide x 48" tall	3 lbs.

VERSATILE LED LIGHT KIT

Add this specially designed LED Light Kit to the Everyday and Heavy-Duty Banner Displays for an additional light source. The bracket clamps onto the upright bar and since it is an LED bulb there is no worry of overheating when using.

Description	Power	Weight
Versatile LED Light Kit	5 watts	3 lbs.

SLEEK EXHIBITOR

The Exhibitor Sleek Display offers a slimmer lightweight design with all the stability and durability of the other displays. The display telescopes in height from 37" to 96" and adjusts in widths from 52" to 96". A versatile display that your customers can use for tradeshow back walls, events, and presentations. Display includes soft carrying case and is available in black or silver finish.

THE EFFORTLESS SERIES

The Effortless Series of banner displays practically set themselves up. Whether you choose the Effortless designed to hold grommeted banners or the one for pole-pocketed banners, you are guaranteed the ultimate in portability and ease of set up. Both units feature a center hub with shock-corded bars so there are no parts to lose and no tools required. The stands even have an adjustable support shaft so you can choose the angle of your display.

CENTERPOINT ADJUSTABLE BANNER DISPLAY

The Centerpoint Adjustable Banner Display offers a unique new display solution. The banner attaches like a typical "X" display but the center hub allows the banner to rotate 360 degrees or tilt up or down. The center hub sits atop a telescoping pole, with a pole height that is adjustable from 42" up to 72". When table space is limited, the Centerpoint is ideal to place behind the table as a great backdrop for your message.

- ROTATES 360°
- UPRIGHT TO FLAT
- ADJUSTABLE HEIGHT

	48" x 72"	48" x 72"	

STURDY 'L' BANNER DISPLAY

The Sturdy L is a user-friendly banner display that will not tip over. It features solid structural support, but remains an attractive banner stand that lets your graphic take center stage. The banner requires no special finishing as it is held tight by snap rails. And, you'll never lose the end caps of the banner rails because they twist open for banner installation. The sturdy foot stays attached to the bottom rail and folds in for easy set up and storage.

- WON'T TIP OVER — GREAT FOR HIGH TRAFFIC AREAS
- NO TOOLS REQUIRED FOR SET UP
- NO PARTS TO LOSE
- BANNERS ATTACH TO SNAP RAILS
- WEIGHS 7 LBS.

- FITS DELUXE, JUMBO DELUXE AND SUPREME RETRACTORS

LED REPLACEMENT BULB

Approved for all trade show venues, the LED Replacement Bulb is a must for anyone frequently attending trade shows. The low 5 watt power prevents the bulb from getting hot and lasts for over 50,000 hours. Interchangeable in any fixture that uses a MR-16 50 watt Halogen bulb.

RETRACTORS ARE COMPACT, LIGHTWEIGHT & EASY TO SET UP!

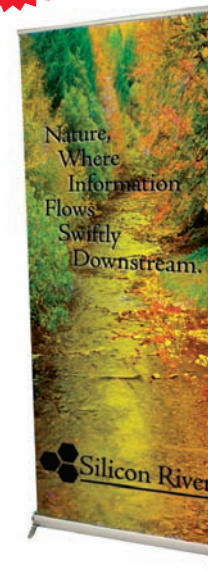

* Add an extra 6" length to the Viewable Size of all Retractors to feed into the retractor mechanism.

EURO RETRACTOR

The Euro Retractor Display offers a unique European style. The curved, stylish support feet will grab attention at trade shows and events. The feet are removable and the display fits compactly into a soft carrying case.

- EASY SETUP

RETRACTS INTO ITS OWN CARRYING CASE

SUPREME TELESCOPING RETRACTOR

The Supreme Retractor will ensure that you never have to worry about losing your banner's spring tension again. A pop out release button gives you complete control over your banner's tension. Easily reapply the tension with a twist of the button instead of taking the whole unit apart. The telescoping pole feature and the ability to easily interchange graphics make the Supreme Retractor our best-selling high-end display.

- ALUMINUM BASE
- TWO FOLD OUT SUPPORT BARS COME IN COMPLETE CONTACT WITH THE FLOOR

EURO FABRIC DISPLAYS

The Euro Fabric Displays offer a new and unique look for your next trade show or event. The aluminum frame allows you to install elegant-looking fabric banners. A rubber gasket is sewn around the edge of the fabric graphic and then is secured into the grooves on the frame. The fabric graphic is taut and wrinkle free, providing a "frameless" look. Display the double-sided display in high traffic areas to maximize your space and place several single-sided units together to create an almost seamless and impactful backdrop.

CASE
A complete 10' unit will fit comfortably in one oval case.

PODIUM KIT
Add these hook & loop receptive panels to turn your oval carrying case into a finished podium for your booth.

DIGITAL MURAL PANELS

Catch the eye of everyone passing by your trade show booth with digital mural panels. Our digital capabilities produce crystal-clear graphics and photography. You provide the image; we'll provide a stunning trade show booth panel. Finished mural panels are perfect for mounting on our line of Show 'N Rise Pop-up displays.

THE SPLASH

Set up your trade show booth in 30 seconds flat. This exciting new pop-up display really makes an impact as it sets up from a compact unit into a full 8' or 10' wide display. It comes complete with a full color graphic printed on a wrinkle resistant fabric face that attaches to the frame with hook and loop. When expanded, the fabric is taut, wrinkle free and completely covers the frame. Trade show teardown is quick and easy because the whole display folds easily into a compact carrying case.

HANGING BANNER FRAMES

Quickly and easily make a square, triangle or round configuration for your next trade show or retail display. By just snapping the components together, you can slide virtually any height banner into the frame. Made from strong and resilient galvanized steel rods with metal connectors. Lightweight, but strong!

SQUARE

TRIANGLE

FEATURES:

- VERY ECONOMICAL
- STRONG, BUT LIGHTWEIGHT
- EASY TO ASSEMBLE, STORE AND SHIP

ROUND

Description	Available Frame Widths
Square Banner Frame	4', 6', 8', 10', 12', 15', 20'

Description	Available Frame Widths

Description	Available Frame Diameters
Round Banner Frame	6.58', 8.22', 9.87', 11.51', 14.8', 16.45'

BANNER ROTATION MOTOR

Attract even more attention to your hanging banner frame, set it in motion with our rotation motor. Designed to securely hang from the ceiling by four attachment points, simply suspend the banner frame from the motor's bottom ring. The smooth motion provides two complete revolutions per minute, allowing people to take in all sides of your message.

Description	Specifications
Banner Rotation Motor	Speed- 2 rpm, Weight capacity 100 lbs.

FABRIC GRAPHIC ZIPS ONTO FRAME QUICKLY & EASILY FOR A COMPLETE LOOK

FABRIC HANGING BANNER DISPLAY

Notice the message, not the frame when you display your graphic on a Fabric Hanging Banner Display. We print the banner on a stretch fabric material that zips around the frame for a taut, upscale appearance. The fabric completely encapsulates the circle so you only notice the shape, not the frame hardware. The frame itself is made of strong PVC and assembles easily without tools.

Description	Dimensions
Fabric Hanging Banner Display	8' diameter x 42" high

CARRYING CASES

Add our Soft-Sided Carrying Case for easy storage and transportation. These are made from rugged PVC backed polyester.

HANGING BANNER FRAME HARNESS

This high quality harness is made from aircraft cable with a tensile strength of 2,000 lbs. For hanging banner frames we recommend at least one support cable for every 6 to 8 feet of banner length.

Description	Specifications	Support Points
Hanging Banner Harness	10' or 15'	3 pts, 4 pts, 6 pts, 8 pts.

TABLE COVERS

STANDARD, FITTED & 3-SIDED TABLE THROWS

IMPRINTING OPTIONS

Turn your table into a dramatic advertising display with an imprinted table throw or cover. Create an outstanding trade show display by coordinating your table with the rest of the booth. Several options available to fit your needs.

SCREEN PRINT

For 6 or more throws printed in one color, we silk screen them. Silk screening is the process of applying absorbent inks directly on to the fabric. Choose any PMS (Pantone Matching System) color for this process.

1-COLOR THERMAL IMPRINT

When you need 5 throws or fewer imprinted with one color, we use a thermal print process in which simple vinyl messages are cut out and heat set into the fabric. Choose the color for your imprint from the 19 choices available.

2 OR 3-COLOR IMPRINT

For logos and art with two or more colors, we digitally imprint a one-piece emblem and heat-set it to the front of the throw. This process is available for any number of throws.

STANDARD THROW 4-SIDED
4-COLOR IMPRINT

POLY-STRETCH TABLE THROW

Offer a dramatic new look to your tables, bringing attention to your trade show or event with the Poly-Stretch Table Throw. Fitting Snuggly over most standard tables, it creates a unique and wrinkle-free look. The full length vertical zipper in the back allows for easy access to supplies stored under the table. Custom imprinting available as a full throw design or on the front panel only.

Reinforced Sleeves Slip Under Each Leg to Pull the Table Throw Taut

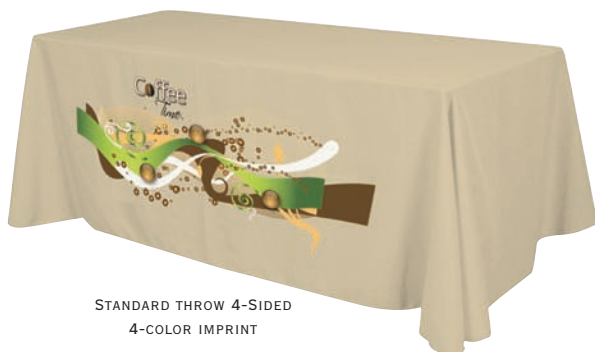

Zipper Allows Table Throw to be Loose Enough for Installation & Fully Taut when Complete

CONVERTIBLE TABLE THROWS

With adjustments to fit standard six-foot or eight-foot trade show tables, the Convertible Table Throw™ won't leave any display short – no matter which size table ends up at the booth. And, it does double duty for companies that exhibit at trade shows and need a table throw for smaller tables at meetings and presentations. Available in the fabric colors and imprint styles listed below.

TABLE THROW CARRYING CASE

Tote your table throws, covers or runners in our convenient carrying cases. Both varieties are made from vinyl-backed polyester, so they are incredibly durable and weather resistant. With one style, you roll the coverings over a shipping tube and slip it in the bag. The other style requires simple folding.

Description	Dimensions
Rectangular Case	13" x 17"
Tubular Case	5" x 36"

FOLDING TABLE

Never rent costly tables again. For less than the price of renting a table at a trade show, you can bring your own. This 6' standard trade show table folds in two and features a carrying handle for easy transport. Two small braces that store inside the unit keep the molded plastic top level. A must-have product for every exhibitor.

Description	Dimensions	Weight
Folding Table	30" wide x 29.5" high x 72" long	45 lbs.

FOLDING BOX TOTE

Perfect for carrying loose items to and from your trade show booth. So compact, it's easy to slide in with your other trade show items. The folded unit is just 3" thick, but expands to a generous 16" x 16" rolling box.

Description	Dimensions	Collapsed Size	Weight
TSSH004	16" wide x 16" high	17" x 16" x 3.2"	10 lbs.

BAG HOLDER

When you want to hand out tote bags as part of your trade show booth, there is nothing better than this handy rack to display them. The Bag Holder breaks down for easy storage, is adjustable and even telescopes to different heights from 26" to 48". Show attendees will naturally gravitate to your booth to take a bag and carry your company's logo around all day.

Description	Dimensions	Weight
Bag Holder	36" wide x 48" high	10 lbs.

FOLDING CAFÉ TABLE

When you need a taller table for trade shows or events the Cafe Table is ideal for standing at or placing a stool for seating. With a height of 43-1/4", the steel frame and molded plastic top offers a design that is durable yet easily folds flat for easy storage or transport. Coordinate with your overall look by adding a colorful table throw available in any of 13 polyester twill colors.

Description	Dimensions	Weight
Folding Table	31.5" dia., 43-1/4" tall	25 lbs.
Blank Table Throw	32" high Poly Twill See pg 15 for Colors	3 lbs.

PROMOTION COUNTER

The Promo Counter is made from strong corrugated plastic yet is lightweight and durable. The wrap around wall is perfect for printed PSV or a direct graphic print. The black oval top and bottom are made of molded plastic and the unit includes a convenient middle shelf. This economical unit breaks down to fit easily in a corrugated carrying case.

BOOK SHELF

Description	Dimensions	Graphic Dimensions	Weight
Promotion Counter	38.5" x 31.75" x 20"	Up to 36" x 64"	18 lbs.

POP-UP PODIUM

For meetings or events the Foldup Podium offer a convenient and quick presentation area. The aluminum frame simply pops open and the wood top is secured to the top and ready to use. No assembly required and the collapsed podium fits into two carrying cases for storage and easy transport.

Description	Dimensions	Weight
Pop-Up Podium	Back: 47.5" Front: 43.5" Top: 15" x 15"	11 lbs.
Fitted Table Throw	Fitted	3 lbs.

POP-UP COUNTER

The new Pop-Up Counter couples ease of setup with sturdy reliability. It breaks down flat for storage and shipping but pops right up and secures with adjoining hooks when you are ready to set up. The front face of the counter features a hook & loop receptive material for attaching custom graphics. Use the included shelf for storing product or promo literature.

Pop-Up Portable Counter	41.5" x 40" x 16.5"	38" x 41" 3-Sided	46 lbs.

LITERATURE DISPLAYS

BAMBOO LITERATURE HOLDER

Your customer can make the most out of their literature with our Bamboo Literature Display. This ecology sustainable floor display rack is constructed of natural bamboo and can hold 4 tiers of 8.5" x 11" literature. No assembly required; simply unfold out of carrying case and the display pulls up to a 48" or 53" height.

- HOLDS 8.5" X 11" LITERATURE
- QUICK AND EASY TO SETUP WITHOUT TOOLS
- FOLDS INTO A COMPACT METAL CARRYING CASE

Description	Dimensions	Weight
Bamboo Literature Holder	18" x 11.5" x 48-53"	18 lbs.

LITERATURE DISPLAY WITH WOOD TRIM

With the elegant Literature Display with Wood Trim, you can showcase a variety of pamphlets, catalogs, fliers or other information sheets. The four tiered metal pockets holds up to 8.5" x 11" literature. Easily unfolds from its compact carrying case and adjustable to two heights - 48" or 53". Sturdy metal case protects the display when not in use and during transportation.

- HOLDS 8.5" X 11" LITERATURE
- FOUR DEEP POCKETS
- NO ASSEMBLY REQUIRED
- FOLDS DOWN TO 19" X 13" X 13" TO FIT INTO ITS METAL CARRYING CASE
- AVAILABLE IN A LIGHT OR DARK STAIN

GRAPHIC WINDOW MATS ARE A GREAT WAY TO DIRECT CUSTOMERS OR CATCH ATTENTION FOR PROMOTIONS

GRAPHIC IS PROTECTED BY DURABLE POLYCARBONATE SURFACE

COUNTER/CHECKOUT/POP APPLICATION

DESK & FLOOR GRAPHIC WINDOW MAT

A quick and easy way to grab attention as people walk into your business or event. The Floor Graphic Window Mats are low-profile and made of black rubber to prevent slipping. The clear polycarbonate face covers your changeable graphic, logo, directions or any information you want to show on the floor of your space. The non-skid back and scratch-resistant face will withstand high-traffic areas easily. The Desk Graphic Window Mat makes changing messages on countertops a breeze and is an innovative display for your Point of Purchase area. A 8-1/5" x 11" graphic can be printed up separately for each promotion and simply exchanged by sliding into the clear faced pocket.

HINGED FRAME

Choose a Hinged Frame when you wish to protect your graphic from tampering or vandalism. The frame is fitted with a key lock so no one can disturb your message. When unlocked, the frame gently swings open and closes securely with a magnet closure. With a profile of 1-1/4", there is even room inside to display a thin letter board. Available in silver or black.

INTERIOR DISPLAYS

PEDESTAL SNAP FRAME

With the Pedestal Snap Frame, you don't even need a wall to post signage. This innovative product is actually a snap frame mounted on a stand. It securely holds a 11" x 8.5" sign either vertically or horizontally and even telescopes in height. Perfect for lobbies and restaurants. Height adjustable from 34" to 50".

PEDESTAL SIGN DISPLAY

This 22" x 28" chrome sign holder is an excellent investment, as it will last for years. The stylish round base provides sturdy support for a rigid substrate with graphics on both sides.

FLAT BASE SIGN DISPLAY

The Flat Base Sign Display allows you to display a high visibility single or double sided 28" x 22" sign while taking up only a small amount of floor space.

Description	Display Size	Graphic Dimensions
Pedestal Snap Frame	11" to 34" wide x 50" high	11" wide x 8.5" high
Pedestal Sign Display	22.25" wide x 66" high	22" wide x 28" high
Flat Base Sign Display	15" wide x 59" high	14" wide x 22" high

RECTANGULAR TUBING SIGN DISPLAY - SINGLE

RECTANGULAR TUBING SIGN DISPLAY - DOUBLE

RECTANGULAR TUBING SIGN DISPLAY - TRIPLE

RECTANGULAR TUBING SIGN DISPLAYS

Use the same amount of floor space to display one, two or three 28" x 22" signs. All units are made of sturdy rectangular tubing to give solid structural support to your messages. Because graphics are visible from both sides, these displays are perfect to grab attention in an entryway, lobby or store. All units are available in a chrome finish. Single and Triple displays also available in a black finish.

Description	Display Size	Graphic Dimensions
Rectangular Tubing Sign Display - Single	23.25" wide x 59" high	22" wide x 28" high
Rectangular Tubing Sign Display - Double	23.25" wide x 59" high	22" wide x 28" high
Rectangular Tubing Sign Display - Triple	25" wide x 90" high	22" wide x 28" high

CAFÉ BARRIER SYSTEM

The Café Barrier is a cost effective way to create a comfortable outdoor seating area or to maximize your advertising area. Our Café Barrier can be used with the included crossbar for banners or add a red velvet rope for an easily controlled access point. Each System comes with two uprights and a banner crossbar all with a sleek Chrome finish. Banner should be finished with a 3" top pole pocket and grommets in the bottom corners.

CUSTOM BLVD BANNERS & IMPRINTING

We do all kinds of custom designs & imprinting specializing in outdoor signage.

DRESSING UP MAIN STREET IS EASY TO DO WITH OUR BANNER BRACKET SYSTEM.

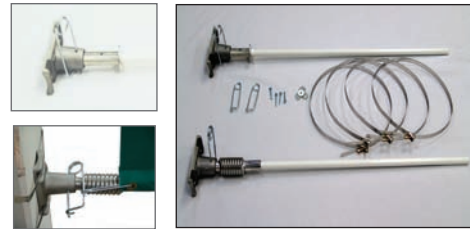

PREMIUM SPRING ARM BRACKET SYSTEM

Patent #6,378,820

Spend more time enjoying the banner lined street and less time installing the banners. Our new Spring Arm Bracket System makes installing and changing banners so much easier. Simply flex the rod, slip off the banner and slip on a new one. What's more, once the banners are mounted, they last longer. The patented stainless steel spring arm design bends up to 60 degrees to deflect the strongest winds. This flexibility helps maintain the integrity of the poles because it keeps the wind load off.

FOR INSTALLATIONS THAT DO NOT REQUIRE A SPRING ARM BRACKET, THE PREMIUM BRACKET WITHOUT SPRING ARM OFFERS THE SAME STAINLESS STEEL SLEEVE TO LENGTHEN THE LIFE OF THE ROD. FOR THE LONGEST LASTING INSTALLATIONS, OUR PREMIUM BRACKET SYSTEM IS THE BEST CHOICE.

Description	Viewable Dimensions
Premium Spring Arm Bracket System - Single Option	Up to 30" wide
Premium Spring Arm Bracket System - Double Option	Up to 30" wide

BANNER BRACKET SYSTEM

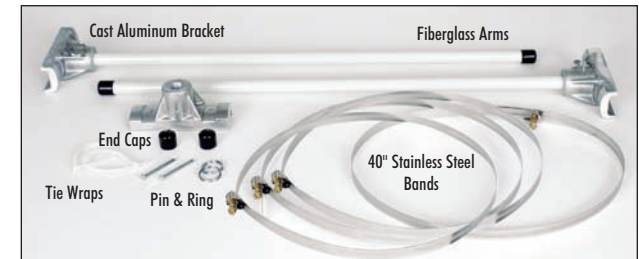

This state-of-the-art system is designed to withstand the elements. The base is made of rust-free cast aluminum with fiberglass arms. The fiberglass arms will flex in strong winds—transferring some of the wind load off the banner.

ALL BRACKETS ARE SINGLE OR DOUBLE BANNER BRACKETS

PRODUCT FEATURES:

- CAST ALUMINUM BASE WILL NOT RUST
- UNIQUE BASE DESIGN WILL FIT SQUARE, ROUND OR MULTI-SIDED POLES
- A 1° CANT HAS BEEN ENGINEERED INTO THE BASE, TOP AND BOTTOM TO KEEP THE BANNER TIGHT
- FIBERGLASS ARMS FOR STRENGTH AND REDUCTION OF WIND LOAD ON THE BANNER
- STAINLESS STEEL BANDS FOR EASY INSTALLATION
- SINGLE SETS 18", 24", 30", 36"
- DOUBLE SETS 18", 24", 30", 36"

Flexi-Pole Banner Stand	30" long

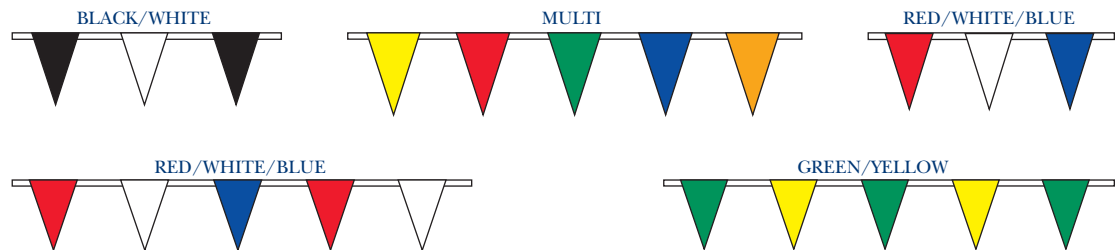

EXPANDING POST HOLDER

Display flag and banner poles on pavement or other hard surface with the Expanding Post Holder. This steel stand measures a compact 5" x 5" x 16" when folded. Simply fold the four legs down to create an ultra sturdy stand. Expand the legs from 16" to 20" to support taller poles using the button locking mechanism.

Description	Dimensions
Expanding Post Holder	5" x 5" x 16" folded, expands out 16" to 20"

POLYETHYLENE PENNANT STRINGS

Description	Dimensions	Colors

BANNER ARM

Attach a 21" x 32" vertical banner to the corners of the Deluxe Presto Canopy. Steel banner arms easily attach to canopy poles to hold your banner in place. Designed to be used with a 3" pole pocket banner.

Description	Size
Arm Hardware	21" wide
Imprinted Banner	32" x 21"

NEW!

CANOPY COUNTER

This instant table sets up in seconds without the use of tools. The Canopy Counter is lightweight and folds down for easy storage or transport. Measuring 115" long and 24" wide the table clamps onto the canopy legs and adds extra support and stability to the canopy. The sturdy countertop is adjustable to 27", 29.37", and 32" high.

Description	Size	Weight
Counter	115" long x 24" wide, Adjustable: 27", 29.37", 32" high	45 lbs.
Counter Skirt 13 oz poly twill	32" high	3 lbs.

PRESTO INSTANT CANOPY DELUXE

The Presto Instant Canopy Deluxe features all the great benefits of the steel canopy but is lighter in weight. Because of its extra large release buttons and high-strength plastic joints, the unit is extra easy to set up. The manual crank in the center assures the peak raises to its maximum height and locks in place.

- LIGHTER IN WEIGHT THAN THE ALL-STEEL FRAME, ONLY 48 LBS
- STEEL FRAME WITH HIGH-STRENGTH PLASTIC JOINTS
- MANUAL CRANK FOR RAISING PEAK

Description	Viewable Dimensions
Presto Instant Canopy Deluxe	10' wide x 10' high

Manual crank for raising peak to maximum height

STAKE KIT

Anchor any of our Presto Instant Canopies in soft ground with a Stake Kit. Kit includes four steel stakes, water-resistant vinyl rope and a carrying case with a Velcro® closure.

- ONLY 1 LB

BALLAST

Fill these plastic and steel ballasts with water to keep your canopy anchored on hard ground or pavement. They are specially designed with a side indent that fits right onto a canopy leg. A molded-in handle makes them easy transport when empty.

- PLASTIC - 22.5 LBS WITH WATER
- STEEL - 12 LBS

CANOPY CARRYING CASE

This wheeled carrying case can store and tote a 10' Presto Instant Canopy. Designed to the exact dimensions of the collapsed unit, your canopy will fit inside perfectly. The zippered closure ensures easy access and the wheels make it simple to take it from one event to the next.

- 60" HIGH X 8" WIDE

IMPRINTING OPTIONS

The Presto Instant Canopy Deluxe has all the "Let the crowd know who and where you are!" features. Personalize one, two or all sides of your canopy with custom imprinting. We can use thermal film to imprint the peak, overhang, or both, with your logo or other branding message.

- INCREASED EXPOSURE
- HIGH VISIBILITY
- GREAT BRANDING OPPORTUNITY

Description	Imprint Area
Peaked Top	15" x 40"
Overhang	8" x 48"

PARADE FLOATS

Easy float kits are a fun and inexpensive way to participate in a parade. They include all the material you need to turn your own vehicle or trailer into a miniature float. So easy to use, decorating the vehicle is a fun project for anyone.

EASY TRUCK KIT

WHITE AND DARK BLUE BIRTHDAY CAKE WITH DARK BLUE GLITTERED CANDLES

EASY CAR KIT

METALLIC BLUE FLORAL SHEETING AND FRINGE WITH WHITE TWIST AND SNOWFLAKE PROP

EASY TRAILER KIT

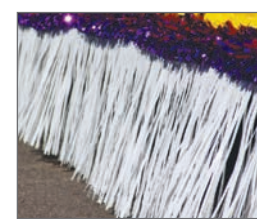

3-DIMENSIONAL STYROFOAM HELMET WITH SPANISH GOLD SHEETING, PURPLE TWIST AND WHITE FRINGE

FLORAL SHEETING

Floral Sheeting is the foundation of every great float. Use it to decorate the large objects on your float and to disguise the vehicle pulling your creation. Sheeting comes in 36" x 10 yard rolls so it is easy to apply. It is available in all the standard vinyl and metallic colors shown below.

FRINGE

Use fringe at the bottom of a float to disguise the trailer's mechanism and give the illusion of floating. Available in 15" x 10' in the colors shown below.

TWIST

Twist is the perfect material for outlining portions of your float or for adding detail to a solid area of floral sheeting. Available in 25' rolls in the colors shown below.

Standard Vinyl

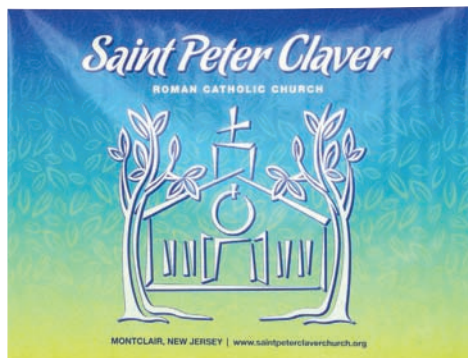

Metallic Vinyl

Description	Dimensions
Floral Sheeting	36" wide x 10 Yard Roll
Fringe	15" wide x 10' Length
Twist	25' Roll

* Patriotic Vinyl kits are red, white & blue. Metallic kits are red, silver & blue *
